个旧欢迎您

Welcome to Gejiu

个旧市位于中国云南省红河哈尼族彝族自治州，市政府驻金湖街道，常住人口41.96万人，全市城镇化率74.05%。世居民族为汉、彝、回、苗、傣等。

作为世界上最早的产锡基地，个旧有2000余年的锡矿开采史。长期以来，个旧为蒙自县辖地。1885年，清廷设立个旧厅，专管采矿事宜。1913年始正式建县，1951年设市，由云南省直管。1958年起改隶红河州，并作为红河州的首府长达近半个世纪，直至2003年州府迁往蒙自。

个旧是云南省重要的冶金工业城市，市内有色金属矿产资源达28种，是世界最大的锡生产加工基地，全国最大的锡化工中心、锡材中心和砷化工中心，国家级高新技术企业居全州第一位，被誉为“世界锡都”。

至今，个旧市已获得“国家卫生城市”、“中国十佳绿色城市”、“中国人居环境范例奖”、“中国特色魅力城市”、“全国文化先进市”、“中国天然氧吧”、“中国气候宜居城市”等多项殊荣，被誉为“中国最适合人类居住的城市”。

An aerial photograph of Gejiu city, showing a dense urban area with numerous buildings and roads. In the background, there are rolling green hills and mountains under a blue sky with scattered white clouds. The city is situated in a valley, with a river or lake visible on the right side.

GEJIU is situated in the Honghe Hani and Yi Autonomous Prefecture in Yunnan, China. The Gejiu city government is located on Jinhu Street, with a permanent population of 419,600 and an urbanization rate of 74.05%. The city is home to various ethnic minorities, primarily including the *Yi* (彝), *Hui* (回), *Miao* (苗), and *Dai* (傣) communities.

Gejiu holds the distinction of being the world's first tin-producing location, boasting a rich history of tin mining spanning over 2,000 years. In 1885, the Qing court established the Gejiu office, dedicated to mining affairs, and the county was formally established in 1913. In 1951, the city was established and directly governed by Yunnan Province. In 1958, it was incorporated into the Honghe Hani and Yi Autonomous Prefecture, serving as its capital for nearly half a century. In 2003, the capital was relocated to Mengzi.

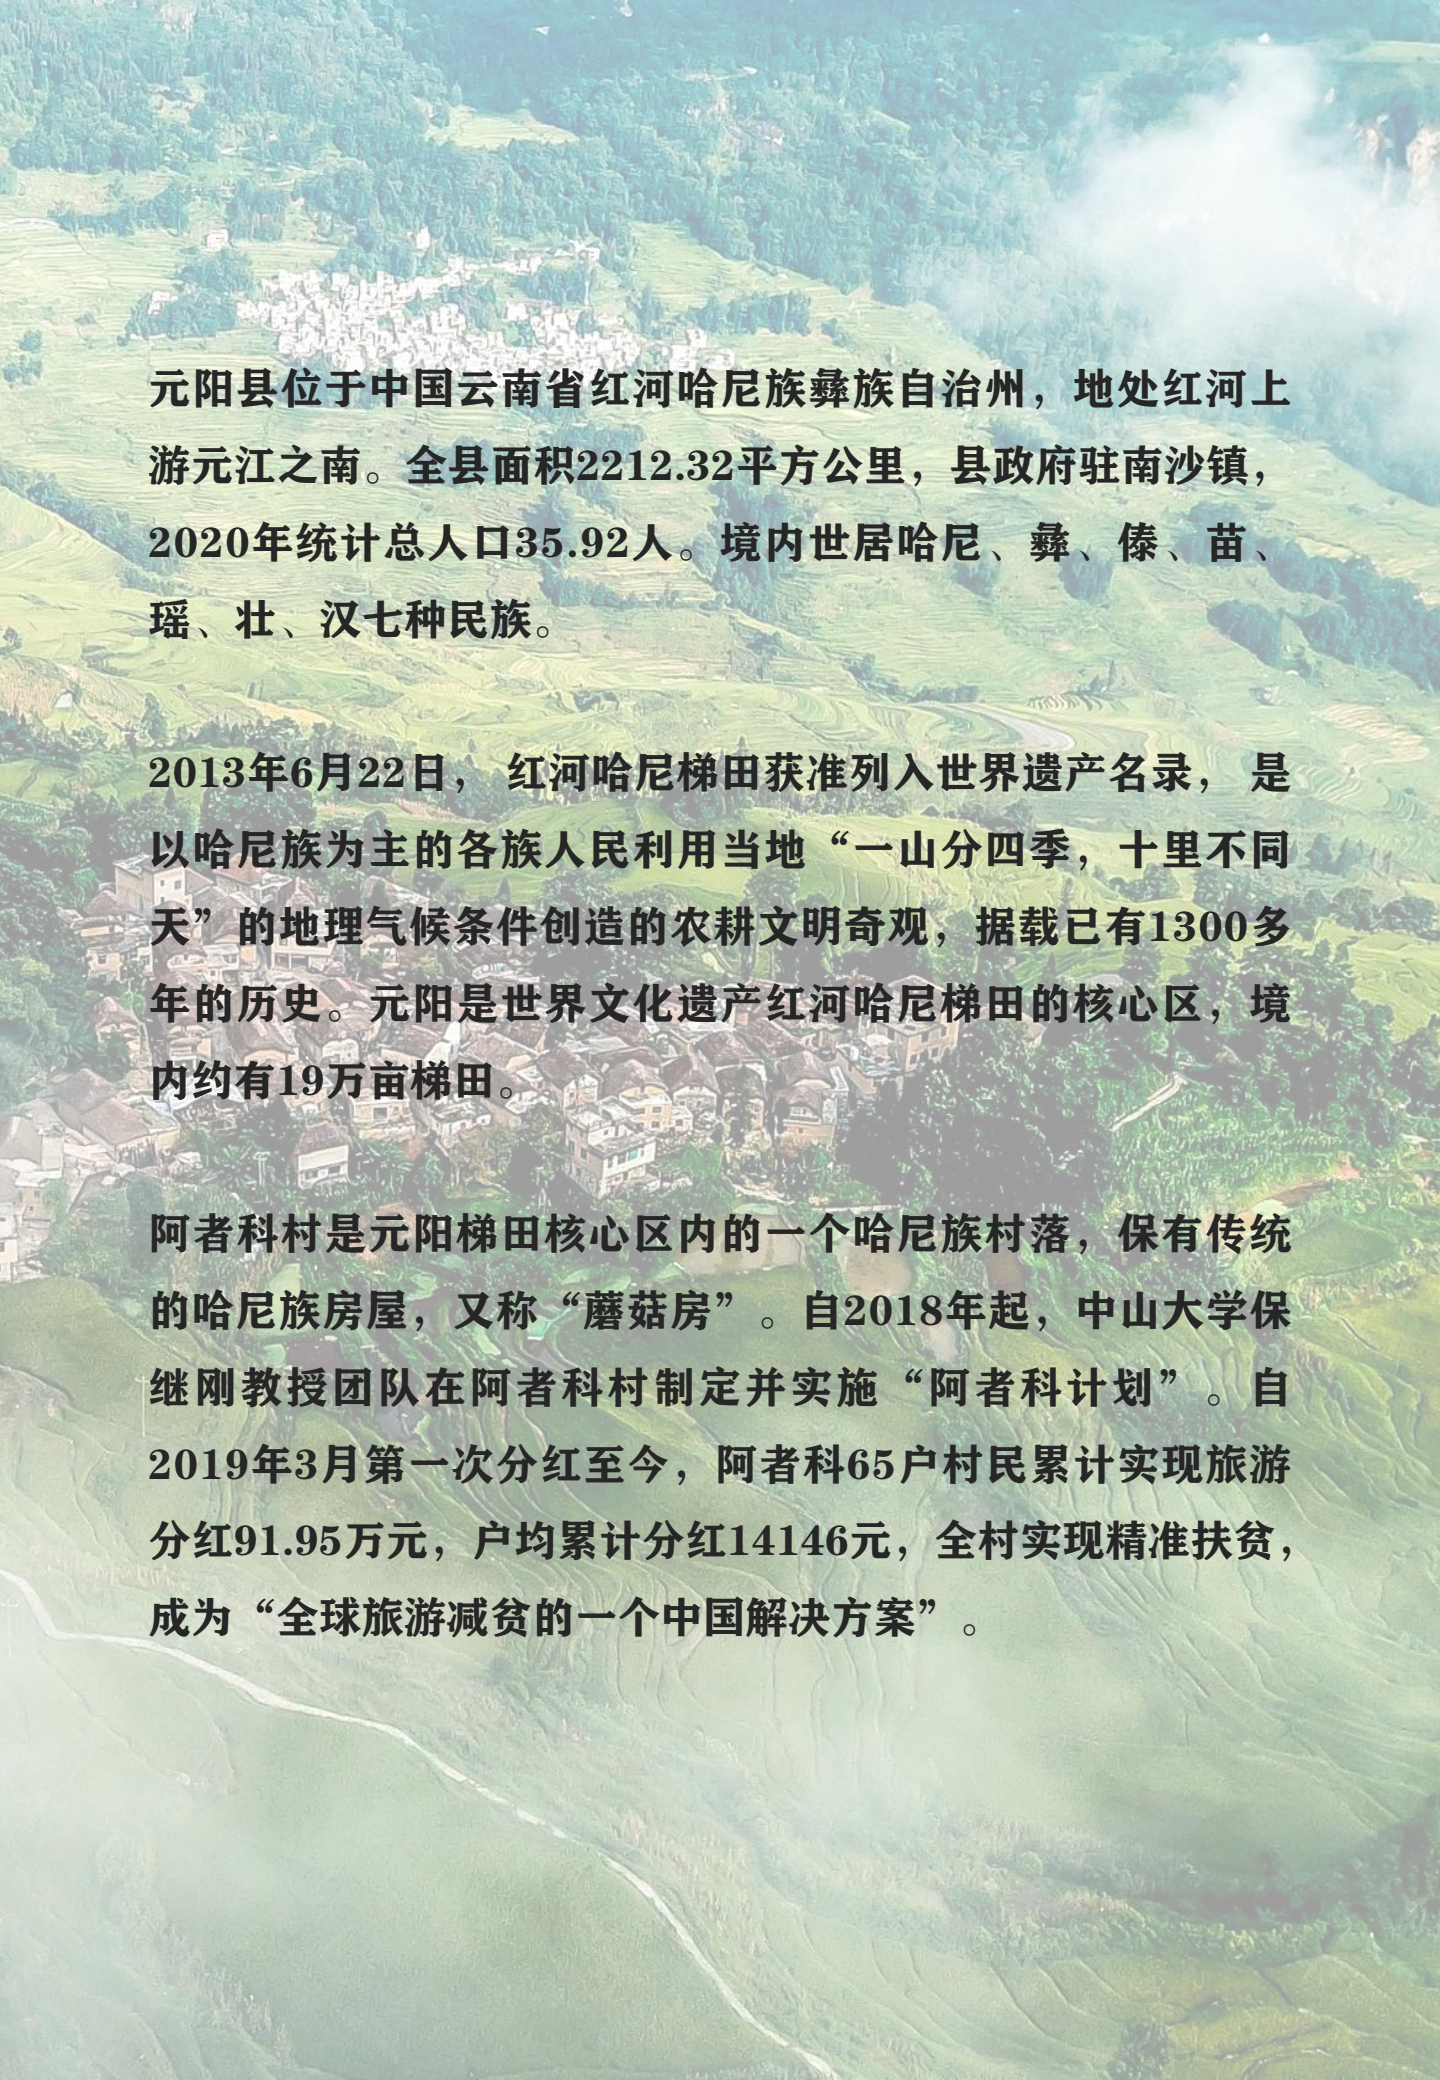

Gejiu plays a crucial role as an important metallurgical industrial city in Yunnan Province. The city is abundant in non-ferrous metal mineral resources, boasting 28 different kinds. Moreover, it serves as the largest tin production and processing base in the world, the largest tin chemical center, tin material center, and arsenic chemical center in the country. Gejiu is recognized as a national high-tech enterprise, ranking first in the state and earning the prestigious title of the "World Tin Capital."

The city of Gejiu has been honored with various accolades, including the titles of "National Sanitary City," "Top Ten Green Cities in China," "China Habitat Environment Model Award," "Charming City with Chinese Characteristics," "National Advanced City with Culture," "China Natural Oxygen Bar," and "China's Climate Suitable City." Due to these distinctions, Gejiu is often referred to as "the most livable city in China."

An aerial photograph of a terraced rice paddy field. The water in the terraces is a vibrant blue, reflecting the sky. A narrow, winding path made of earth and stone runs through the center of the field. Four people are walking along this path, carrying woven baskets. Their reflections are clearly visible in the water. The surrounding landscape is lush green with vegetation.

元阳欢迎您

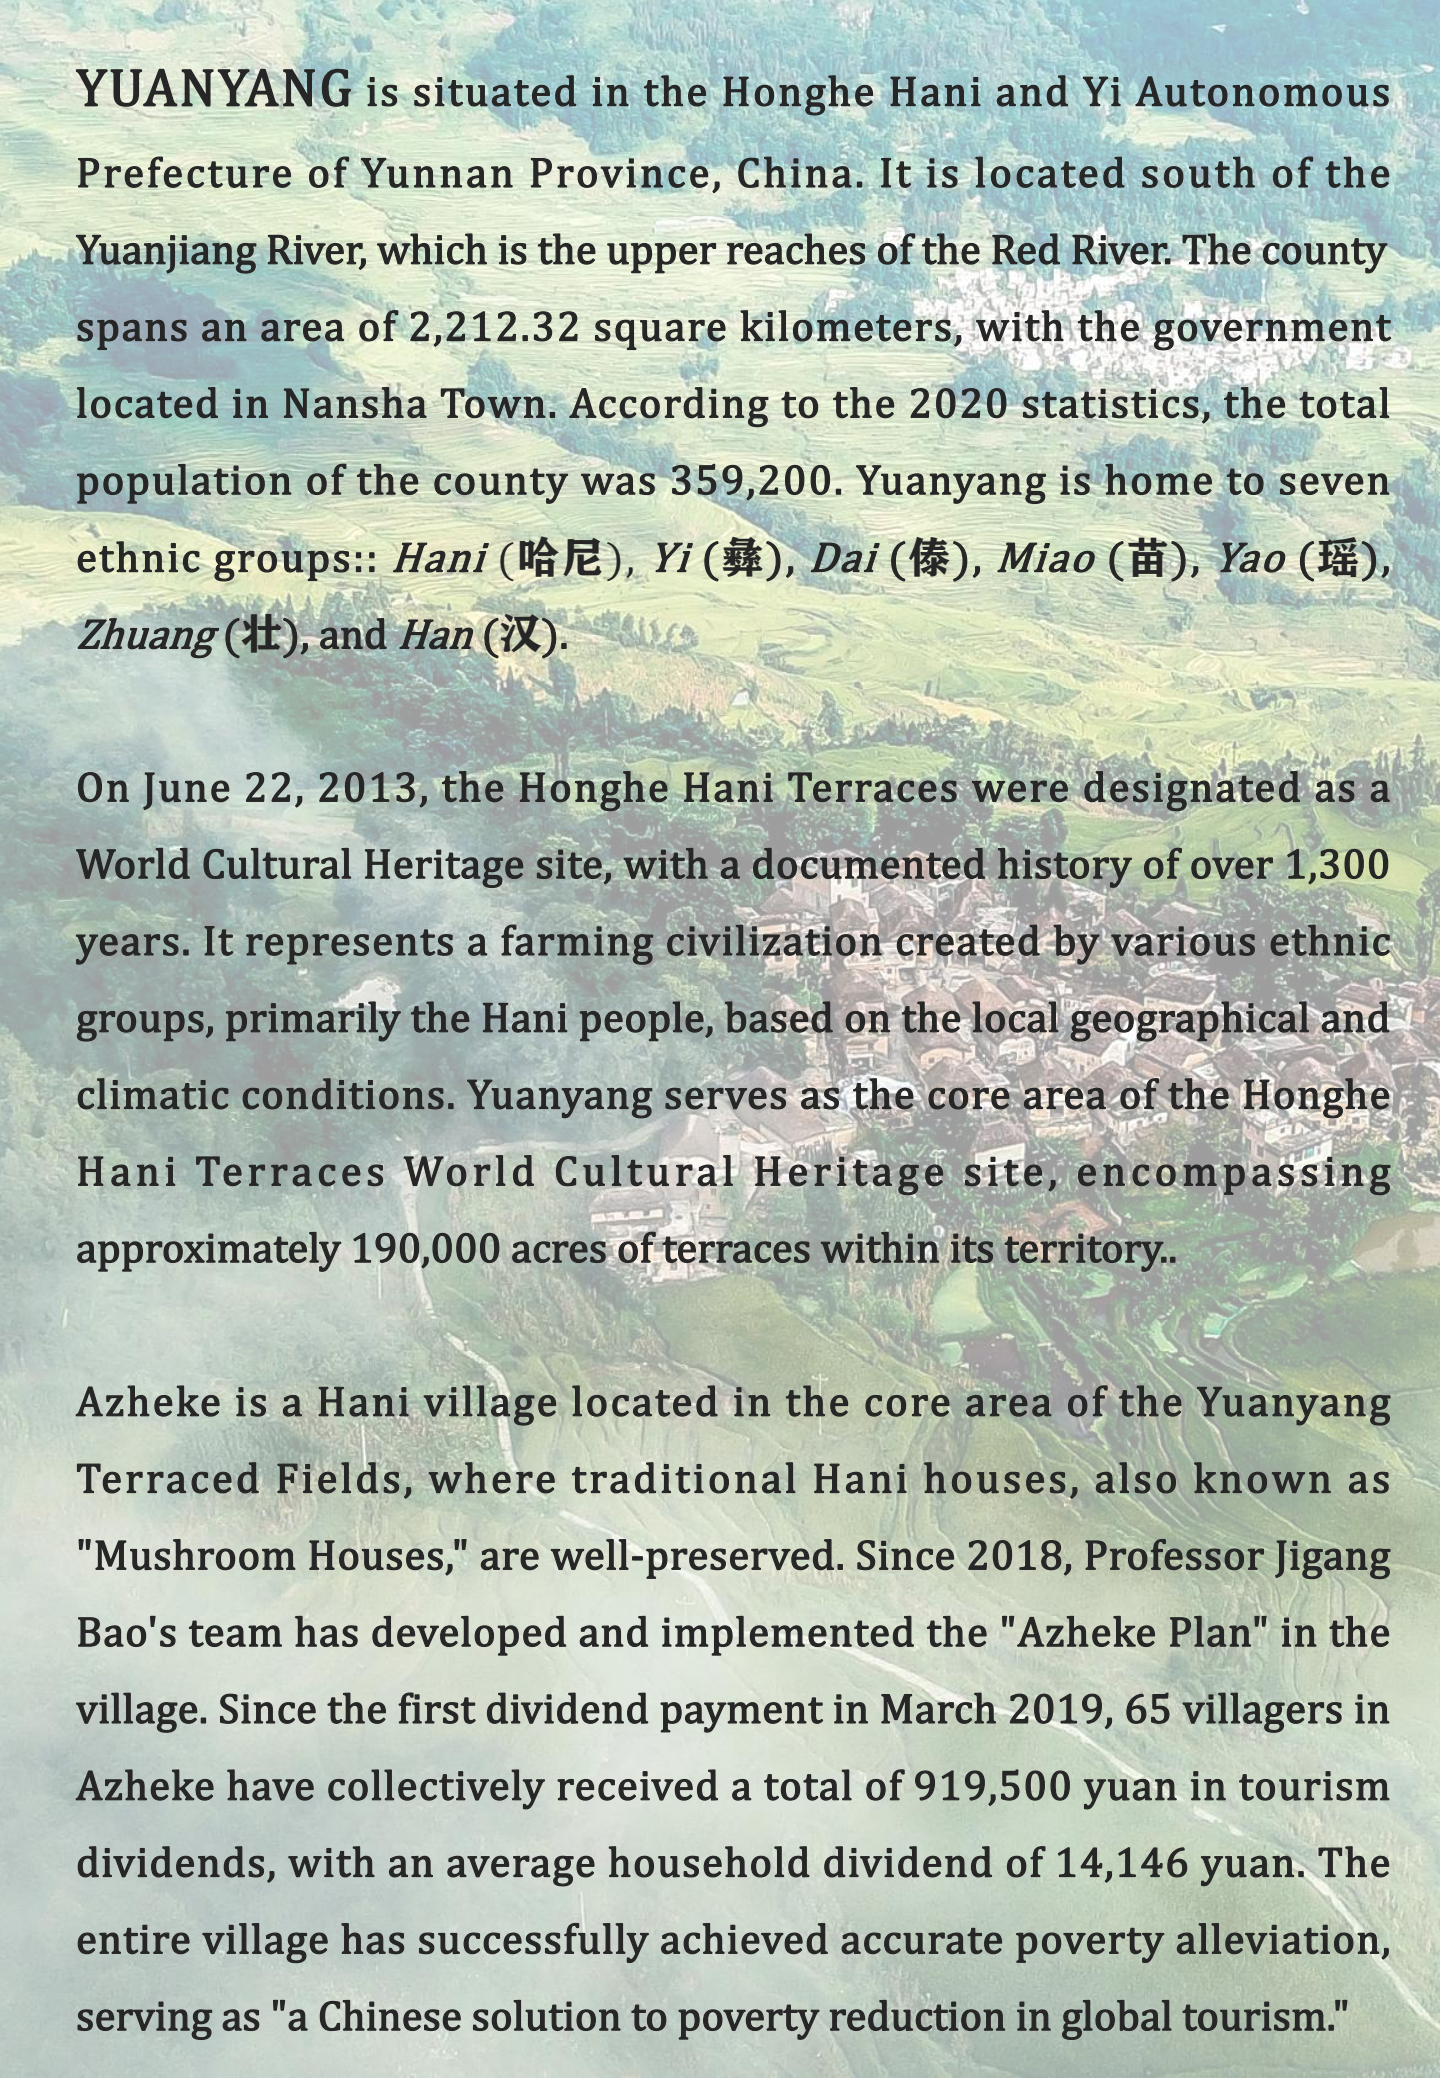

Welcome to Yuanyang

An aerial photograph of a village nestled in a mountainous region. The village is surrounded by lush green terraced fields and dense forests. A river flows through the landscape, and a small bridge is visible. The scene is misty, with clouds partially obscuring the mountains in the background.

元阳县位于中国云南省红河哈尼族彝族自治州，地处红河上游元江之南。全县面积2212.32平方公里，县政府驻南沙镇，2020年统计总人口35.92人。境内世居哈尼、彝、傣、苗、瑶、壮、汉七种民族。

2013年6月22日，红河哈尼梯田获准列入世界遗产名录，是以哈尼族为主的各族人民利用当地“一山分四季，十里不同天”的地理气候条件创造的农耕文明奇观，据载已有1300多年的历史。元阳是世界文化遗产红河哈尼梯田的核心区，境内约有19万亩梯田。

阿者科村是元阳梯田核心区内的一个哈尼族村落，保有传统的哈尼族房屋，又称“蘑菇房”。自2018年起，中山大学保继刚教授团队在阿者科村制定并实施“阿者科计划”。自2019年3月第一次分红至今，阿者科65户村民累计实现旅游分红91.95万元，户均累计分红14146元，全村实现精准扶贫，成为“全球旅游减贫的一个中国解决方案”。

An aerial photograph showing a vast landscape of terraced fields in Yanyang, Honghe Hani and Yi Autonomous Prefecture, Yunnan, China. The terraces are carved into the hillsides, creating a series of green, stepped platforms. In the center, a small cluster of traditional Hani houses with dark roofs is visible, surrounded by more terraced fields. The overall scene is a harmonious blend of human-made agriculture and natural mountainous terrain.

YUANYANG is situated in the Honghe Hani and Yi Autonomous Prefecture of Yunnan Province, China. It is located south of the Yuanjiang River, which is the upper reaches of the Red River. The county spans an area of 2,212.32 square kilometers, with the government located in Nansha Town. According to the 2020 statistics, the total population of the county was 359,200. Yuanyang is home to seven ethnic groups:: *Hani* (哈尼), *Yi* (彝), *Dai* (傣), *Miao* (苗), *Yao* (瑶), *Zhuang* (壮), and *Han* (汉).

On June 22, 2013, the Honghe Hani Terraces were designated as a World Cultural Heritage site, with a documented history of over 1,300 years. It represents a farming civilization created by various ethnic groups, primarily the Hani people, based on the local geographical and climatic conditions. Yuanyang serves as the core area of the Honghe Hani Terraces World Cultural Heritage site, encompassing approximately 190,000 acres of terraces within its territory..

Azheke is a Hani village located in the core area of the Yuanyang Terraced Fields, where traditional Hani houses, also known as "Mushroom Houses," are well-preserved. Since 2018, Professor Jigang Bao's team has developed and implemented the "Azheke Plan" in the village. Since the first dividend payment in March 2019, 65 villagers in Azheke have collectively received a total of 919,500 yuan in tourism dividends, with an average household dividend of 14,146 yuan. The entire village has successfully achieved accurate poverty alleviation, serving as "a Chinese solution to poverty reduction in global tourism."
